

## Lungarno Pecori Giraldi - San Niccolò

*The closing and opening hours are indicated in the maps.*

The race course outbound from the city centre uses the Lungarno della Zecca Vecchia and the Lungarno Pecori Giraldi to go towards the Affrico overpass (Cavalcavia Affrico). Therefore the vehicles coming from Viali of circumvallation (Viali di circonvallazione), reaching the intersection with the Lungarno Pecori Giraldi, will neither be able to cross it in direction to Ponte San Niccolò, nor be able to take the Lungarno del Tempio in direction toward the south of Florence (Sud Firenze). To restore these connections an alternative itinerary (**itinerary 4**) has been set, which is valid both for accessing the zone south of Florence (Sud Firenze) and Gavinana coming from Viali of circumvallation (Viali di circonvallazione) as well as reconnecting with the Viali dei Colli: the vehicles coming from Viale Giovane Italia will turn to the left onto Lungarno Pecori Giraldi, keeping adjacent to the Caserma dei Carabinieri and then again left to place themselves onto Viale Amendola, which they will take until Via Colletta or until Viale Mazzini, where they will be able to turn right onto Via Mannelli (which will be inverted) where they will be able to reach the road below the dell’Affrico overpass; having passed under the overpass, using the Via Lorenzo Di Credi (which will be inverted), it will be possible to take Via De Sanctis (which will have one-way traffic towards the Lungarno Colombo); at the intersection De Sanctis-Colombo they will be able to turn left onto Lungarno Colombo in direction toward the south of Florence (Sud Firenze) or they will be able to cross the Arno on the Ponte da Verrazzano to reach the Gavinana neighbourhood or to return east towards Piazza Ferrucci and the Viali dei Colli.

*Itinerario 4*

**Attention: the itinerary 4 is not to be utilized by heavy vehicles with a height superior than 4 meters due to the passage under the dell’Africo overpass.**

Itinerary **4** represents the main way to exit Florence towards the south and Gavinana for all the transport means that use the Viali of circumvallation (Viali di circonvallazione). Alternatively, it will be possible to use the Viale Don Minzoni, taking it from Piazza della Libertà, the Cure overpass (Cavalcavia delle Cure) and continuing onto the following itinerary: Viale dei Mille, Via Pacinotti, Viale Volta, Viale Righi, Viale Ojetti, Viale Duse, Viale Verga, to then reach the area of Via del Gignoro (excluding the days Thursday 26th, Friday 27th, Saturday 28th and Sunday 29th in the phases during which the race course Firenze-Fiesole will be active).

The inverse version of the itinerary described above, from Via del Gignoro to the Cure overpass (Cavalcavia delle Cure), can be used like the itinerary for an inbound city trip coming from the south of Florence (Sud Firenze).
