**Status:** Completed

**Opening date:** 01/01/2015

**Closing date:** 30/04/2016

**Submitted:** 2014

**Partnerships:** Servizio Civile Internazionale, Servei Civil Internacional de Catalunya (Spagna), Utilapu Nemzetkozi Epitotabor Halozat (Ungheria), The Association of Service Civil International IVZW (Belgio), International Voluntary Service (Gran Bretagna), Seirbhis Deonach Idirnaisiunta (Irlanda)

**Objectives and activities:** The project, which involves 5 young people and lasts 6 months, aims to promote social inclusion as main topic for the activities that take place during the service and also as a parameter in the selection of participants. It increases both awareness of being an European citizen and democratic participation of young people, making them aware of the importance of their role in society. The activities aim at the full development of being active, informed and responsible citizens in an Europe that promotes values such as social inclusion, cooperation, environmental sustainability and the preservation of common goods. This awareness will be strengthened both in the selected volunteers as well as in the public sector to which the initiatives on the topic of European citizenship will be addressed.
